**Fusion
Grey**

The background of the image is a complex, organic marbled paper texture. It features a mix of light cream, off-white, and pale beige tones, with darker, muted green and greyish-blue veins and spots scattered throughout. The overall effect is reminiscent of traditional stone or shell marbling, with a sense of depth and movement. The texture is non-repeating and appears to be a close-up of a physical surface.

**Fusion
White**

**Fusion
White**

The image shows a top-down view of a vast, textured landscape. The surface is a mix of light beige and off-white tones, with a complex, irregular pattern of small, interconnected ridges and depressions, giving it a craggy or crystalline appearance. The texture is consistent across the entire frame. In the bottom right corner, there is a black rectangular box containing the text "Ice Canyon" in a bold, black, sans-serif font.

Frozen

Frozen

The image displays a full-page view of a stone pattern, likely onyx, characterized by irregular, vein-like shapes in shades of light grey and off-white. The pattern is dense and organic, filling the entire frame. In the bottom right corner, there is a black-bordered box containing the text 'Misterio Onyx' in a bold, black, sans-serif font.

Onyx**

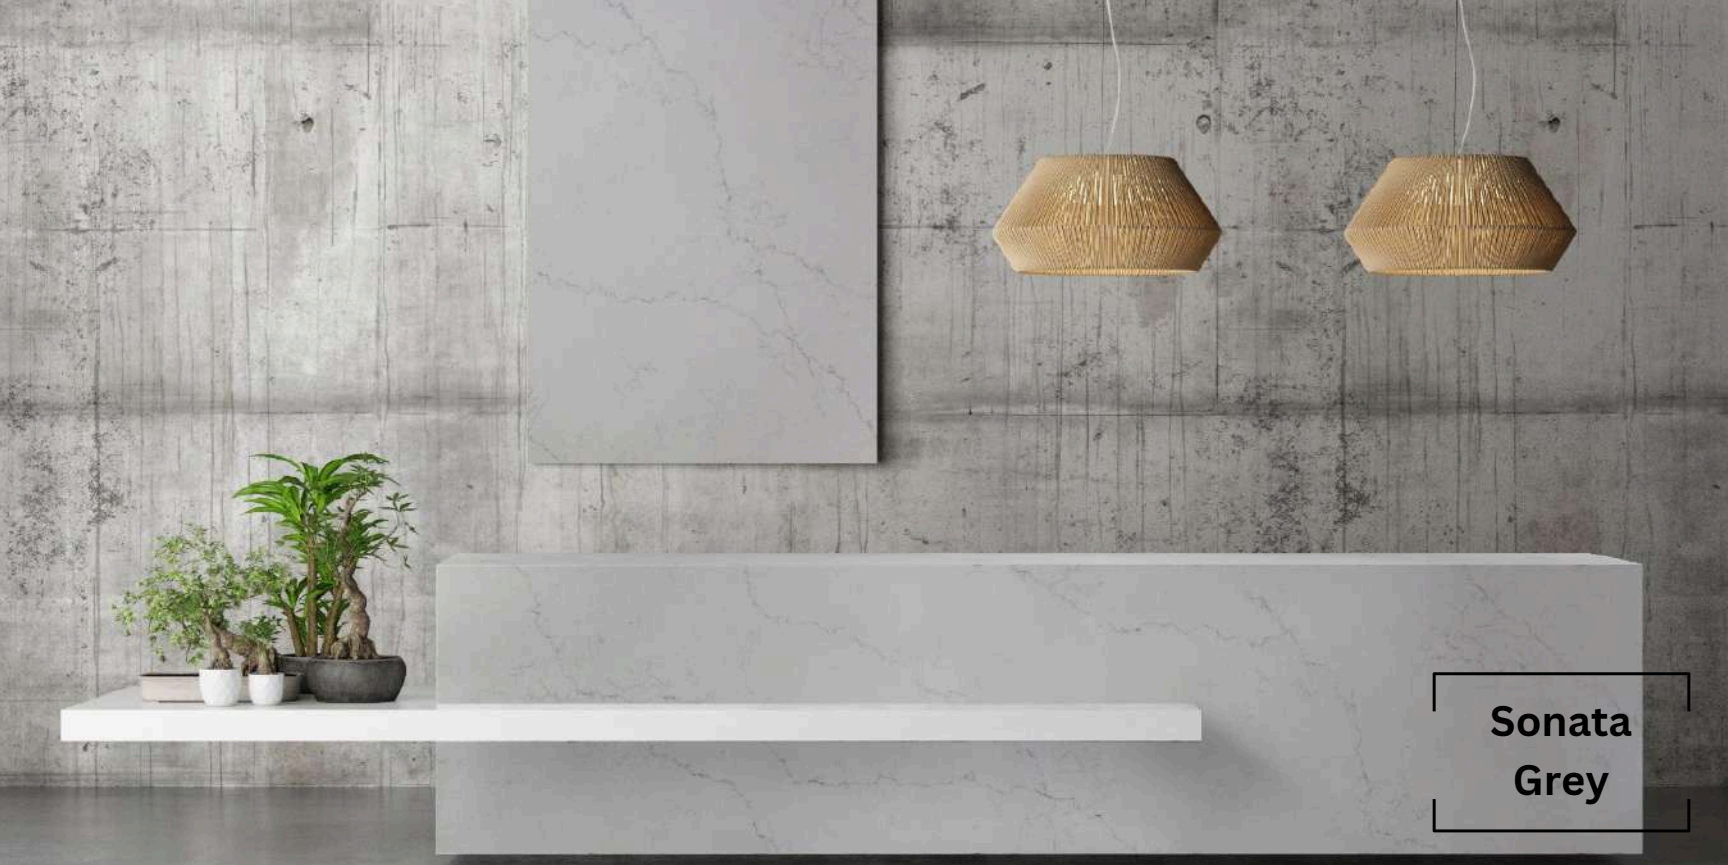

Mysterio
Onyx

**Misterio
Onyx Gold**

The image shows a full-page view of marbled paper. The pattern consists of irregular, wavy, and somewhat parallel lines in shades of light grey and off-white, set against a slightly darker, muted grey background. The lines vary in thickness and direction, creating a complex, organic texture. In the bottom right corner, there is a black rectangular frame containing the text 'Sonata Grey' in a bold, sans-serif font.

Alaska
Bianca

The image shows a close-up of a light-colored, textured surface, likely leather or a similar material. The texture is characterized by subtle, irregular patterns and variations in tone, ranging from off-white to light beige. The surface appears slightly worn and has a natural, organic feel.

**Ocean White
Polished/Leather**

**Ocean
White**

The image shows a close-up of a marbled paper texture. The pattern consists of irregular, wavy bands of light beige and cream colors, creating a complex, organic design. The overall appearance is that of a high-quality, aged paper or parchment.

**Taj Mahal
Polished/Leather**

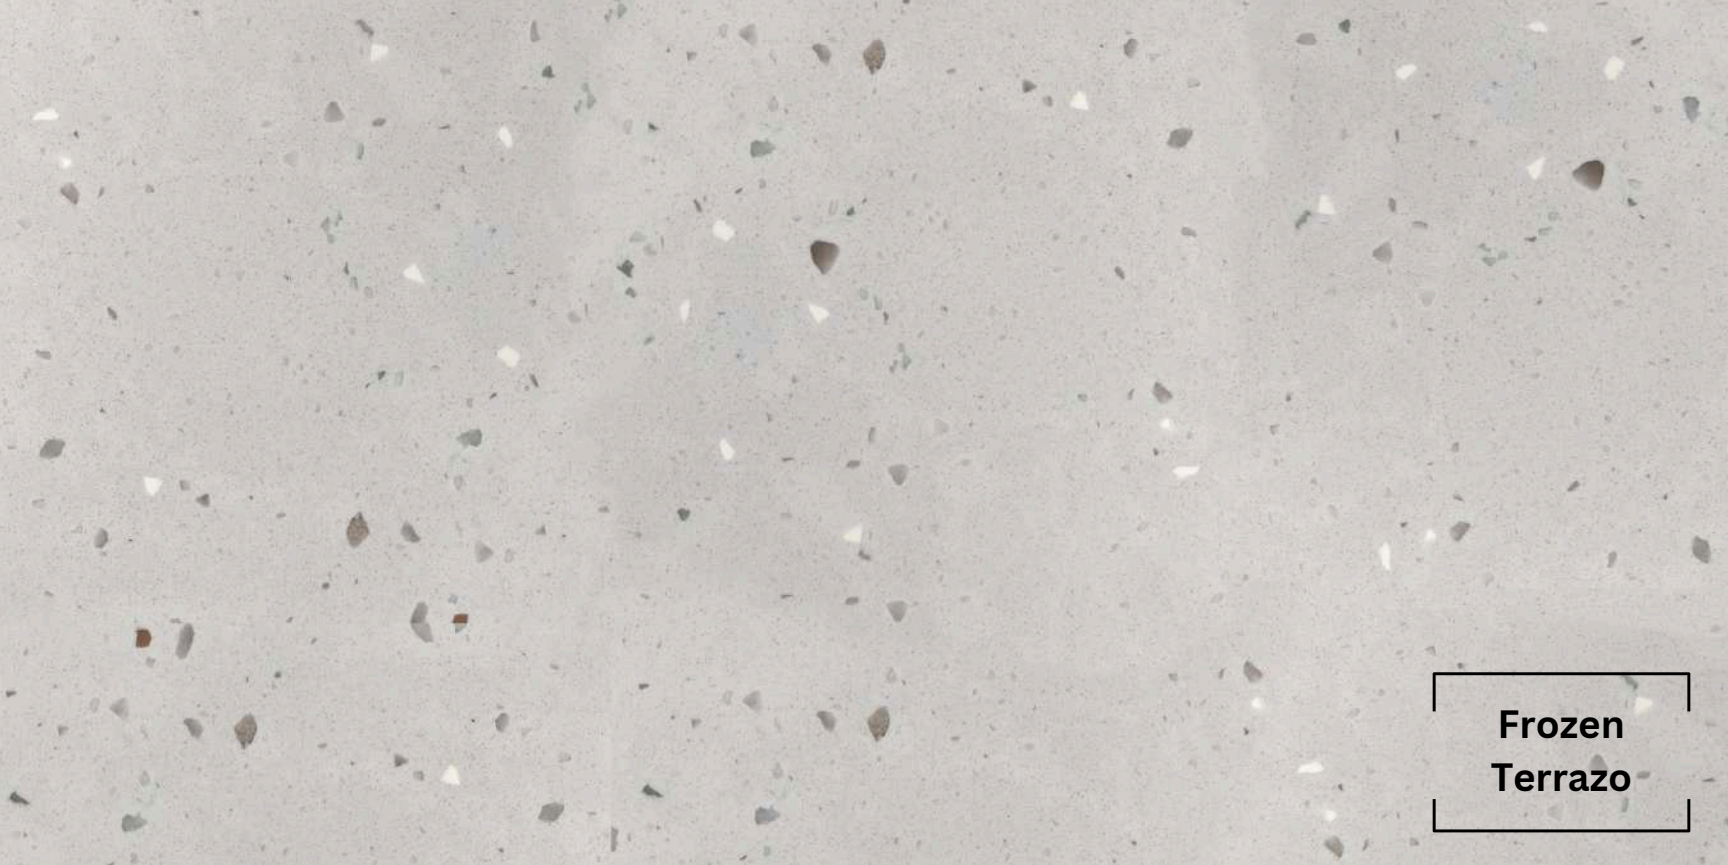

Taj Mahal

The background is a close-up of a light-colored marble surface, likely Taj Mahal Light. It features a complex pattern of veins in shades of beige, cream, and light brown, set against a pale, off-white base. The veins are irregular and flow across the frame, creating a natural, organic look. The lighting is even, highlighting the subtle variations in the stone's texture and color.

White ***

The image shows a close-up of a marbled paper pattern. The background is a light, off-white or cream color. Overlaid on this are intricate, branching veins of a golden-brown or tan color. These veins form a complex, organic network across the entire surface. The overall appearance is that of a classic marbled paper, often used for book covers or endpapers. In the bottom right corner, there is a black rectangular box containing the text 'Alaska Gold *' in a bold, sans-serif font.
